

Ahmadul Hasan

Software Engineer, Competitive Programmer

Dhaka, Bangladesh | ahmadulsh@gmail.com | +880 1601331109 | engr-ahmadul | Ahmadul Hasan

Working Experiences

Software Engineer

August 2026 - Present

Flyte Solutions Ltd. (Augmented at BRAC Bank PLC)

Role: Designing and developing fintech solutions using a **microservices** architecture and modern software engineering practices.

Junior Software Engineer

July 2025 - July 2026

US-Bangla Airlines Ltd. (US-Bangla Group)

Role: Designed and developed scalable backend modules for OTA platforms using modern software engineering practices.

- Engineered an OTA booking platform processing **30K+ monthly transactions** across multiple airline suppliers by integrating Airline, Travel Insurance, and Visa Supplier APIs.
- Developed business-critical modules including **Fare Policy**, **CMS**, **Airline Wise Page**, **Hero Banner**, and an end-to-end **Visa Processing System**.
- Designed configurable business workflows for booking and visa services while optimizing inter-service communication across distributed applications.
- Implemented modular and scalable backend solutions following clean architecture, design patterns, and software engineering best practices.

Software Engineer (Research and Development)

September 2024 - March 2025

Shanghai BDCOM Information Technology Co., Ltd.

Role: Designed and implemented system-level software focusing on efficiency, reliability, and optimized performance.

- Developed embedded firmware for a **Layer 2 Ethernet Switch** in low-level C after intensive training in **C**, **Data Structures**, **Operating Systems**, and **Networking**, enhancing device configuration and operational control.

Education

B.Sc in Computer Science and Engineering

January 2019 - June 2024

Shahjalal University of Science and Technology, Sylhet

CGPA: 3.52 (4.00)

Technical Skills

C#, .NET, OS, BBMS, PostgreSQL, RESTful APIs, EF-Core, OOP, C, C++, DSA, Problem Solving, Git and Github

Programming Profiles

- CodeForces: Specialist** with max **(1536)**, Solved 2400+ problems, Participated 450+ contests and ongoing
- AtCoder: Green** with max **(1113)**, Kyu 5, Solved 350+ problems, Participated 105+ contests and ongoing
- LeetCode: Knight** with max **(2007)**, Badges 30+, Solved 1000+ problems, Participated 95+ contests and ongoing
- CodeChef: Triple Star** with max **(1734)**, Diamond, Solved 300+ problems, Participated 100+ contests and ongoing

Achievements

- Regionalist:** ACM ICPC ASIA DHAKA Site, 2023
- Hon. Mention:** Smart Bangladesh Day Contest, 2023
- Hon. Mention:** NCPC Online Preliminary, 2024
- Runners Up:** DRMC International **Carnival**, 2024
- Qualified the 2nd Round:** Meta Hacker Cup, 2023
- Hon. Mention:** 2x IUPC, CSE-SWE, SUST, 2023-24

Leadership Experiences

Executive Member (CSE Society, CSE, SUST), **Programming Mentor** (Competitive Programming Lab, CSE, SUST), **Captain, Cricket Team** (Inter Department Cricket Tournament, SUST), **Captain, Football Team** (Intra IICT Football Tournament, SUST), **President, Debating Club** (Liaquat Ali Smriti School and College, Rajbari)
